EDITORIALS†

CORONADO ANNUAL SESSION: PRE-CONVENTION BULLETIN CONTAINS REPORTS OF OFFICERS AND COMMITTEES

Complete Annual Session Program Was Printed in the April Issue.—As readers of CALIFORNIA AND WESTERN MEDICINE will recall, there was printed in the April issue (pages 301 to 329 inclusive) the complete program of the sixty-fifth annual session, to be held at Hotel Del Coronado in San Diego, commencing on Monday, May 25, and continuing through Thursday, May 28; and a careful perusal of it for the many scientific and other Association activities should lead every member of the California Medical Association, who possibly can arrange his work, to make an effort to attend the interesting and important meetings scheduled for each day throughout the session. If, however, through inadvertence or other cause, members may not have noted the program in last month's issue, they are even now urged to refer to it. To read at least the synopses of the papers in which one has a special interest, will prove well worth the time, and especially so for the physician prevented from actual attendance.

"Pre-Convention Bulletin," with Reports of Officers and All Committees, Is Printed in This Issue.—In this month's issue, on page 407, is printed the "Pre-Convention Bulletin," which appears only in CALIFORNIA AND WESTERN MEDICINE; wherefore, members of the House of Delegates, in particular, should take along to Coronado for reference purposes, this May number. The "Pre-Convention Bulletin" contains the reports of the general officers, the councilors, the standing committees and the special committees; and these reports summarize the activities of the Association for the last twelve months. They not only discuss old but new problems, and outline also information concerning the fiscal affairs, the detailed sheets of which are always open to inspection at the central office of the Association in San Francisco.

† Editorials on subjects of scientific and clinical interest, contributed by members of the California Medical Association, are printed in the Editorial Comment column, which follows.
